

By working together, the Parent Service Organization (PSO) can achieve and maintain excellence in the education and growth of our children. Whatever the task, our children benefit when we participate.

In accordance with the Parents-In-Participation Program (P.I.P.), each family is required to pay the sum of \$200.00 per year, either in one payment of \$200.00 due with the first tuition payment on the 15th of August, or in monthly payments of \$20.00. This fee may be credited in exchange for twenty hours of involvement in the P.I.P. Program. Each hour of participation yields a \$10.00 P.I.P. account credit. Participants must complete a Redemption Voucher and have it signed by a staff member or event chairperson. Vouchers can be obtained in the school office. **Please submit vouchers in half- or whole-hour increments only.** If needed, volunteer time can be rounded off to the nearest half-hour. Volunteer hours will accumulate and be credited as follows:

- **Hours will be calculated once per year. P.I.P. compensation is credited ONLY on the May 15 financial statement. In the event a family withdraws prior to May 15 a forfeiture of the P.I.P. credit will result. No refund checks will be issued. P.I.P. hours will only be credited to the P.I.P. account.**
- **The monthly P.I.P. payment of \$20.00 will be due at the same time as the monthly tuition payment. If P.I.P. volunteer hours are completed prior to September 1st, there will not be a monthly charge for the remainder of the school year.**

The final due date to submit a P.I.P. voucher is April 1.

P.I.P. COMPENSATION IS ONLY ISSUED AS A CREDIT. In the event a family does not have an unpaid balance to credit, the credit will be applied to the succeeding school term. Families not returning to CPCS are subject to a forfeiture of the P.I.P. credit.

Questions or disputes regarding P.I.P. hours must be submitted in writing to the P.I.P. coordinator by May 15. After the last scheduled school day, all credits are final and not subject to adjustment. The P.I.P. coordinator is the final and accepted authority in the case of disputed credits or hours.

Families who have submitted vouchers for 20 hours may donate additional hours to other families providing the receiving family has been approved. Families wishing to receive donated hours must complete an application and, upon approval, may be able to receive up to a maximum of ten (10) donated hours per school year.
