- Student-athletes who do not meet a minimum 2.00 GPA or have a failing grade at the end of any grade evaluation period become ineligible to participate in contests until the next grade evaluation, and cannot be dismissed from school early in order to travel to games.
- After their notification of ineligibility, every Monday prior to first period athletes must obtain a Weekly Progress Report from the High School Reception Office. This form is to be completed by **ALL** teachers and turned into the Athletic Ministry office no later than 3:00pm that same day for administrative review. Eligibility will be granted on a week by week basis if passing grades have been achieved.
- Weekly Progress Report forms are accepted and evaluated on Monday's only. Ineligible athletes must repeat this process every Monday until the next all secondary evaluation date.
- Athletes ineligible for competition will be allowed to practice with their respective teams however, they are expected to work out an agreement with the coach and teacher regarding after school assistance with academics.
