Behind the Wheel lessons will be scheduled outside of the class hours above.
Driving schedules will be handed out in class. Driving Lessons will be scheduled at the Cedar Park School Bothell Campus or at our Woodinville location depending upon the availability of our instructors.

About Skid Training: On a closed course, learn how to handle a skidding vehicle and overcome the bad habits that leave drivers vulnerable to skids. Skid training is held at Renton Technical College.

About Stick Shift/Manual Lessons: The 1st time driving a stick is hardest on your transmission. Let us help you ease that wear and tear by using our vehicle to start your student off on the right foot! Stick lessons are held in Redmond or Seattle.

Payment: We accept personal checks, cashier's checks or money orders. The full tuition is due at the Cedar Park office 5 days prior to the beginning of class. A $25 fee is charged for returned checks.

Program Requirements: **All course requirements must be completed within 3 months.**

• ***Classroom Sessions***. **By State Law,** students must be 15 by the first day of class and may not enroll after the 3rd class session. A parent informational session will be held and intermediate licensing laws discussed. Organ donation is included in our curriculum. Students are required to complete a workbook. If they are lost, replacement workbooks are $10. Students are fully accountable for their conduct and attendance. No food, drink or gum is allowed in the car or classroom. All tests must be passed with at least 80%. *Students will be dismissed from the course for misbehavior, excessive tardies and having more than 6 absences (3 in the Summer) without a refund.* For $165, students who miss more than 6 classroom sessions (or 3 in the Summer) may be reinstated in a future class to complete the course (and must finish within 6 months from the original start date). **Parental involvement is required for any failed test.**

• ***Driving Appointments.*** A schedule of all appointments will be given during the first or 2nd week of class. To change a scheduled time, please call 425-643-0116 to reschedule at least 2 business days (48 hours) in advance (weekends and holidays don't count). You will be charged as if you took the lesson if it is cancelled late, if you do not bring a valid learner's permit, or if you fail to show up for the drive. Students will observe another student's lesson at least once. **Parents are asked to observe at least one of their student's driving lessons.** Students must pass a driving exam. Extra drives, whether desired or required are $59 per one hour lesson.

• ***Certificate***. Upon successful completion of all tests and activities required for our program and upon the payment of tuition and fees, a Traffic Safety Education Certificate (needed for a license) will be issued. Replacement certificates can be ordered for $25.

• ***Refunds.*** If you decide that you do not want to take the class, but have turned in this form and payment to the Cedar Park HS office, you can collect your payment and application from the Cedar Park office (no fee will be charged for this). We will be collecting all applications and payments 5 days prior to the class start date from the Cedar Park HS office. Any refunds after the forms have been collected will be subject to a $25 fee plus $15 fee for each class held and $59 for any driving lessons held. In the event that there are not enough students enrolled in the course, we will not collect the checks and these will be returned.
