**Field Day:** Volunteers are needed for our field days on June 8 (elementary) and June 10 (middle school). Please contact Mrs. Matson if you are interested in helping.

**Yearbooks:** Our yearbook producer has printed 41 more copies than we sold, therefore, those who did not purchase a yearbook can now do so. The cost is \$35 and can be paid in the office. Additionally, we are selling *Sharpies* in a rainbow of colors for \$1.00 each. These are great for autographing! Distribution day is Friday, June 4th at the end of the day.

This is the last newsletter of 2009-2010 and I want to talk a little bit about the journey we've been on this year. First of all, God is great! He has given us one of the best years. The leader of our prayer group, Amy Olbright, says "once again, God has been faithful. He gave us three words at the beginning of the year: Promise, Presence, and Power. He made promises for us as a school this year such as making all things new. Isaiah 4:19 says "see, I am doing a new thing! Now it springs up, do you not perceive it? I am making a way in the desert and streams in the wasteland." Also, in Isaiah 43, God says, "Fear not, for I have redeemed you. I have summoned you by name, you are mine...I will be with you."

*Have you seen God's promises fulfilled this year? I have! As I regularly check in with the school - staff, teachers, parents and children, - I have heard of God's promises fulfilled, His presence and His power.*

*God's presence in Chapel has been very unique this year. Also there have been people who visit our school and immediately sense that there is something special about this school.*

*Looking forward, I smile! God has been faithful in the past, so I know He will faithful in the future.*

Our journey has been a good one; much better than we could have imagined. People told me that when they prayed, God told them this would be the best year yet. And they were right!

As this year's journey winds down, getting ready for a great year next year, I want to give special thanks to: the auction committee for all of their hard work, PSO for all the meetings, for all the room parents have done, for the way they've cared for us; all the parents and grandparents who have given time and resources this year.

I understand how God thinks of us as a family and how each member is integrally important on this journey. In our morning devotions we continue to pray for kids, families, jobs, finances, and the things that pertain to this school. I know of several families who want to be here next year and who don't know how it will be possible financially. Many of them are stepping out in faith and enrolling and we will continue to pray for God's blessing on the lives and finances of our families.

It's always sad to say goodbye at the end of they year. I wish you all a relaxing and fun summer. The staff looks forward to seeing you next school year!
