Inside the Classroom

On Dec. 14th, both the first and second grade classes, with many parents, went to the Everett Performing Arts Center. Everyone very much enjoyed the Village Theatre/Pied Piper performance of *If You Give a Moose a Muffin*. The play was based on the very popular book by Laura J. Numeroff, which is a take off from *If You Give A Mouse a Cookie*.

Mrs. Stubson's third grade class will start a Latin program this week. As a pilot program, a few students have been working on the program; now the whole class gets to join. They will be publishing a newspaper in the near future.

Welcome to 2012! We had a great 2011 as we saw God bless us immensely. Parents, you're the blessing. Your support of your kids, the staff and faculty, activities, etc. has been amazing. I can tell by the smiles on your faces that you feel blessed as well. It was great to see that the kids were happy to be back in school on Tuesday. This year's theme, "NO LIMITS," still applies in 2012. "Behold, I am the Lord, the God of all flesh; is there anything too hard for me?" Jer. 32:27. As I look at our school I can see that we are the clay and He is the potter. I can see what he has formed in us over the past 10 years. There are so many things He's done with us and for us. II Cor. 12: 9-10 says, "My grace is sufficient for you for my strength is made perfect in weakness." God has formed us, worked with us and will continue to provide for us as we submit to Him & allow Him to shape us.

The end of the semester is fast approaching! January 20th is an early dismissal day and the end of 1st semester. Be sure that your child has all of his/her work completed and turned in. Middle School students will have mid-term exams the week of January 17th. Grades for the semester are averaged between quarter 1 and quarter 2. The three-day weekend in mid January is a great time to make up missing work and study for exams. I recommend that you talk with or email your child's teacher if you have any questions about assignments, grading or exams. We're still at a size where we can bless the families by working one-on-one with students and parents; take advantage of this!

God bless, Mr. Frunz.
