

**Auction Update:** Join us Monday, October 10<sup>th</sup> at 7 pm at Devon & Valerie Hopper's home

for our first auction meeting. Our plan is to have the auction in March. We value all input as we choose the venue, date and theme at this first meeting. Directions are in the Office.

**Bus Driver:** We have openings for paid positions for bus drivers. Applicants must have a valid CDL license.

**Entertainment Books:** Entertainment Books are here. The money-saving coupons make these a great purchase for your family and for gift-giving. Stop by the Office

and pick up one or two or you can complete the form that came home with your student and was emailed this week.

**Poinsettia Fundraiser:** Poinsettia sales have started. Instructions and paperwork were sent home with your student this week. Students can sell to family, neighbors, dental offices, car lots, etc. Be creative! Final turn-in for orders and money is 10/27/11. Poinsettias will be available for pick-up on campus on 11/29/11.

**Boxtops:** Our Boxtops contest will begin October 10th. Start saving those Boxtops now and be ready to turn them in to your homeroom teacher. Each year our school earns between \$400 and \$500 from Boxtops. These funds are used to fund classroom enhance-

ments, Staff Appreciation Week and social events (BBQ, hot dog feed, ice cream socials, etc) through PSO.

**PSO Meetings:** This year's PSO meetings will take place the second Friday of each month (that school is in session) at 8:30 am. All are welcome to attend.

**Spirit Day:** Monday is School Spirit Day. Wear your CPCS t-shirt or school colors (purple and silver) to show your school spirit. T-shirts can be ordered in the Office for \$7.00 each. We have a small inventory on hand and can put in an order for additional shirts if needed.

Our middle school Bible classes are finishing up a two week program through the Legacy Institute on biblical relationships and God's design for our lives. They had a medieval feast complete with a knighting ceremony (with a real prayer sword!) for the young men and roses were given to the young ladies. The students dressed in Medieval attire and ate meats, cheeses, fruits and breads. The lower grades will also have the opportunity to study the Legacy curriculum at their grade level in the spring. Parents, you're welcome to view the Legacy curriculum any time. There is a lot of parent support material available online if you wish to reinforce the teaching at home. We have a parent book and DVD series that parents can check out for small group study as well.

The Legacy curriculum reminds me that we're really dependent on the Lord, as I shared in staff devotions this morning. "I do not seek my own will, but the will of the Father who sent me." John 5:30 NKJV. We depend on the Lord to help us teach the students about Him and His ways. Without Jesus, we cannot do anything. We want our children to learn the ways of Jesus, to study the Bible and pray. We can leave a legacy through our children by depending on God to help us teach them. I'm counting on the Lord and I don't have a back-up plan!! That may be un-American, but it is God's plan!

God bless, Curt Frunz
