We're looking forward to a sunny afternoon of games, fun, candy, prizes, balloons, barbecue, and community outreach. Please bring your friends and neighbors! We can

always use more parental help, so if you are able and would like to help with set up, tear down or during the event, please contact Ann Gillis @ Ann.Gillis@cedarpark.org or you can call the High school at 425-774-7773.

Teacher / Staff Appreciation Week

National Teacher Appreciation Week is coming up after Easter break. We will be celebrating Teacher Appreciation week on the Mountlake Terrace Campus starting Monday May 2nd and culminating Friday May 6th. 7th Grade parent, Joy deGraff, has stepped up to help organize the week's festivities. The week is designed to show your son or daughters teachers how much we appreciate what they do. Please email Joy deGraff @ jdcountry6@msn.com if you are interested in helping provide goodies or time and service to make this year's Teacher Appreciation Week one to remember.

Senior Corner

With only 20 some school days remaining for our seniors they are in "full speed ahead" mode now! During the week of Stanford testing the seniors and their advisors, Mr. Kelley and Mrs. Orton, along with senior parent, Ms. Foley traveled to downtown Seattle for the annual senior skip day, also known as the "Senior Sneak". Ms. Foley planned a well thought out "Amazing Race" game for the seniors where they were split up in teams of three and were given clues of to decipher and take pictures of to prove that they solved them. Along the way they had to perform some pretty funny tasks in front of the many passersby to which some funny expressions were given our way. The winners were awarded with a bagful of treats to enjoy and share.

The seniors were also involved in a very special new tradition here at our school called the Mom and Me Tea where the junior class parents put on a lovely tea that includes brunch type foods, goodies and drinks. During the tea the students read a heartfelt letter they had written for their mom for this occasion and then a slideshow was presented showing pictures of the seniors with their moms throughout the years. A tear or two was shed by mothers and students alike as this special time was shared by all.

This year's senior dinner is planned for Thursday, May 12th at the Golf Club at Echo Falls in Snohomish. This event is for the senior and his or her parents only in which they will enjoy a lovely meal together and where mom or dad share a special memory or have some words of wisdom to spread to their children.

And lastly rounding out the school year of course will be graduation. The big day is set for Friday, June 3rd, 7:00 at the Aurora Church of the Nazarene, 1900 North 175th, Shoreline, 98133. Everyone is invited to this special event to honor and wish our senior class of 2011 well.

Sr. students and their moms at the Sr. Mom & Me Tea

Junior Parents

We want to publically thank the junior moms who put on a wonderful Sr. Mom and Me Tea this year. We give a special thank you to Lori Hashimoto, Diana Jensen and Sherrie deGroot for being instrumental in putting the Tea together. Lori oversaw and created most of the food and it was wonderful. The letters read by the seniors to their moms were touching and Alyse Gillis read her letter to her mother from Italy via skype. Several additional junior moms came and helped with set up, serving and clean up. We are blessed with great parents here at Cedar Park – MLT! The Tea was a time that our senior class and their moms will cherish for a long time.

The Curious Savages

By Dorothy Ann Johnson

Ten million dollars is a lot, more then most people make in a life time! People would do almost anything to get their hands on that kind of money, but most of the things they think of doing with it would be selfish of course. So is the case for Titus, Lily belle, and Samuel Savage; step children to the apparently deranged Mrs. Savage who takes an odd enjoyment in carrying her over-sized teddy bear everywhere with her. Moving her, Mrs. Savage, to the Cloisters only adds more fun to this mad play! Meeting statisticians, a mother, and a plain beauty queen, what fun! Laughter is a must!

Join us May 25th or 26th at 7PM in the Mountlake Terrace Campus Den for a night of ensured fun! Tickets are available at the door.
