Senior Mom and Me Tea

This is such a wonderful opportunity for our seniors to honor their mother or other significant woman in their life. The junior parents provide tea and snacks in a tea room atmosphere wherein the seniors get to spend time with and dedicate a word to their Mother. It is a lovely tribute for all those lunches packed, mom taxi and late night grocery runs to make cupcakes!

Senior moms; look for your invitation in the mail very soon.

Junior moms: There still several opportunities to assist in this blessing and get a taste of what to look forward to next year! For more information, please contact Wendy Beard at wendy.b@cedarpark.org.

Sport News

Track

Roger Gray returns for his 17th season as our track coach, assisted by Don Johnson and Bob Davis, to coach 18 boys and girls. NSC girls have placed second at State the last two years and, even with a significant decrease in participants due to a large graduating class, Coach Gray is making his initial calculations on how the team can be formulated to accumulate the most points to again compete at the State level.

Golf

Last year was our inaugural golf "team"...was a lone senior who was a top-ten-in-State player. Returning coach, Tom Greenwood, has a new opportunity this year with a group of 8 beginners, two girls and six boys. Even after the initial very long, cold and wet match, the team, comprised of primarily underclassmen, chose to return to practice the next day!

Girl's Basketball Academic Champions

Lady Lions Basketball Awards

The end of the season basketball awards night was held on March 4th in the North Sound den. The varsity letter award winners were Melissa Castor, Jess Castor, Catherine Oakland, Jenna Otis, Tori Speck and Lynne Washio. The team was also recognized for earning the State Academic Championship. At the Winter Awards Dessert, special recognition went to Melissa Castor for being first team All-League as well as team MVP, Lynne Washio for earning 2nd team All-League and team Most Inspirational honors, Catherine Oakland for being named to first team All-League. Tori Speck received the Coaches Award. Jess Castor received the Most Improved Award. Congratulations ladies on an outstanding season!

Varsity Boy's Basketball

The boy's varsity basketball team started off the season slow as we were primarily a group of young and inexperienced players. However, through the leadership of first-year coach, Rich D'Agostino, there was great improvement as the season progressed, becoming the "surprise" team of the league. Senior MVP Aaron Hudson, (also 1st-Team All-League) led the team along with the only other senior, Tyler Mackie. The remaining team awards went to two freshmen, Micah Patterson (Most Improved) and Daniel Schettler (Coaches Award).

All State Volleyball Game

This past weekend March 12-13 was the 25th annual All State Volleyball games in Fife, WA. A great time was had by all 67 players. This year we had 3 representatives from our schools. At the 1B/2B level player Senior Tori Speck and Coach Marla Tappero were honored to be apart of this great event. Although the black team did not win, all games were well played, close games. For the first time at All State, both the Red and the Black team subbed their entire team in and out of the match at 13 points. It was the first time in the series this had ever been done--all 4 sets!

Candice Whipple from the Bothell campus participated in the next game, for the 1A/2A League.

Jr High Girl's Basketball

Even at the JH level, the ladies are learning life-lessons such as, "My abilities are a unique gift from my Creator and I thank Him by giving 100% of whatever I have... I'm not to be compared with any teammate, but to the stewardship of my personal capabilities."

Senior Corner

McTeacher Night

Thank you to all of you who were able to make it to our McTeacher Night on the 11th of March. You helped us bring in \$390.97 in two hours worth of (fun) work!! We had Mr. Riley working the fries, while Mrs. Washio and Mrs. Castor served up some interesting shaped ice cream cones!!! Mrs. Speck was found in the drive thru window and Mrs. Thorsteinson and Mrs. Orton worked the front counter!! Mr. Kelley had way to much fun greeting the customers and smiling at everyone with his fake Ronald McDonald smiley face!! Many students also helped out by selling cookies and parfaits out in the lobby area. It was a great time of fun, fellowship and fundraising!!! The senior class will be using the money earned to pay for graduation expenses.

Senior Parents:

The next parent meeting will be Monday, March 29th at 6:30 in room 17. There are still several seniors that have not yet turned in their pictures for the senior slideshow. Remember, we need 6 pictures total; and should include baby pictures on up to a most current (senior) picture.
