Explanation of Event: This is our annual auction to raise funds for operating expenses for our school. Cedar Park Christian Schools has 6 campuses, but this auction is specifically put on by the campuses in Lynnwood and Mountlake Terrace, Washington. The evening will include dinner, a dessert auction, silent, and live auctions.

Our school provides children with a quality education at reasonable tuition costs. Our graduates are the kind of people that contribute positively to a community. They have been educated not only to be excellent academically, but also to be polite, thoughtful of others, and to have good values and morals.

Thank you for your consideration.

Gratefully yours,

Sue Muir
NSCS/CPCS Auction Chair
