

The Fabulous Fifties
2010 Annual NSCS/CPCS Auction
March 6, 2010

Dear Families and Supporters,

Thank you for your generous donations in giving toward our auction last year. Because of your kindness, in 2008-09 our school was able to raise funds for various school programs and needed resources. With your participation we will be able to continue offering quality Christian education and programs.

On Saturday, March 6th, 2010, we will hold this year's auction, "The Fabulous Fifties," at the Mountlake Terrace Campus Gymnasium. Our event begins with a silent auction, dinner, and dessert auction with the live auction to follow.

We ask that each family donates/procures at least \$100 in goods or services to make this year's event a success. All donating families and companies will be recognized in our auction catalog and any web coverage for the auction.

Donors of goods and services will receive additional recognition at the following levels: (Camera ready ad copy must be supplied by the donor by February 15, 2010)

- \$100 - \$499 in goods or services: business card size advertisement.
- \$500-\$999 in goods or services: Quarter page advertisement.
- \$1000 or more in goods or services: Half page advertisement.

Sponsorship/Advertisement Options: All advertisers will be recognized in our auction catalog and any web coverage for the auction. In addition, the following levels will receive:

- Auction Table Sponsor: Purchase tickets for a full table of 8, and you will receive a ¼ page ad in the auction catalog and a name plaque on your table.
- Business card: \$30 each.
- Half page advertisement: \$125
- Full page advertisement, with recognition on the big screen: \$250
- Auction Sponsorship of \$500 and above will receive two full pages of advertising and recognition on the big screen as an auction sponsor.

Catalogs will be distributed to all auction attendees, and will be available prior to the auction upon request. A list of advertisers will also be provided to all school families.

To download any auction-related forms, please visit our website at www.cpcsschools.com.

Thank you for your consideration. Your contributions have a positive impact on our schools, our students, and our community.

Gratefully yours,

Sue Muir
NSCS/CPCS Auction Chair
